ARTICLE I.

Agreement

THIS AGREEMENT is made and entered into this first day of July, 2007, by and between Great Prairie Area Education Agency, hereinafter referred to as the **Employer**, and Local 3659 Iowa Council 61, American Federation of State, County, and Municipal Employees, AFL-CIO, hereinafter referred to as the **Union**, as the exclusive representative of the employee of said district as identified in the Collective Bargaining **Agreement**.

ARTICLE II.

Recognition and Dues Deduction

1. Recognition: The Employer recognizes the Union as the sole and exclusive bargaining agent for all personnel as set forth in the PERB certification (Case No. 7886) issued by the PERB on June 12, 2007.

2. (a) Dues Deduction Authorization: Any employee who is a member of the Union and who has applied for membership may sign and deliver to the Employer an assignment authorizing payroll deduction of Union dues from salary on a form provided by the Union.

(b) Contribution: Employees shall have 1/9 of annual dues deducted from paychecks each month, commencing in October and ending in June. Employees who begin employment or commence union membership after September shall commence dues deduction the following month, if their employment or union membership commences by the 15th of the month. If their employment or union membership commences after the 15th of the month, dues deduction shall commence the month following the following month.

(c) Deduction Authorization: Pursuant to deduction authorization, the Employer shall deduct the monthly authorization from the first regular paycheck of the employee each month for nine (9) consecutive months beginning with October and ending in June of each year, provided that the dues authorization is delivered to the Employer by the 15th day of the month preceding the month in which the dues deduction begins. Any increase in dues will automatically be in effect thirty (30) days from the time the business office is notified by the Union Secretary.

(d) Deductions: The Employer will not deduct or collect institutional fees, special assessments, back dues, fines or other similar items.

(e) Termination: Authorization for dues deduction may be terminated with written notice to the employer and to the Union only between September 1 and September 15 of a given year. The employer agrees not to hold the employee request to terminate a payroll dues deduction and will only

accept requests to terminate a payroll dues deduction between September 1 and September 15 of a given year.

(f) Release of Liability: Any payments made to the Union by dues deduction alleged to have been made in error must be resolved between the Union and the employee. The employee will not make a claim for improper payment against the Employer.

(g) Transmittal: Monthly, the Employer shall transmit the dues deductions to the treasurer of the Union. The Union, annually, shall notify the Employer who the treasurer is and where the payments should be delivered. All notifications shall be made in writing.

(h) Other Deductions: Upon appropriate written authorization from the employee, the employer shall deduct from the employee's salary the proper remittance for annuities, credit union payments, savings bonds, charitable donations, and insurance. The employer shall not withhold pay as requested unless employee has sufficient earnings to cover such withholding requests.

(i) Sufficient Earnings: Deductions for any membership dues shall only occur when the employee has sufficient earnings to first cover deductions for social security, federal taxes, state taxes, retirement and insurance.

(j) Presentation to New Employees: The local Union may make presentations to new employees at the beginning of the school year at an inservice session. Such presentations will be limited to one-half hour in length and shall occur only once during each calendar year. Coordination for making the presentation shall be made with the administrator.

(k) PEOPLE Deduction: The Employer agrees to deduct from the wages of any employee who is a member of the Union a PEOPLE deduction as provided for in a written authorization. Such authorization must be executed by the employee and may be revoked by the employee at any time by giving written notice to both the Employer and the Union. The employer agrees to remit to the Union together with an itemized statement showing the name of the employee from whose pay such deductions have been made and the amount deducted during the period covered by the remittance.

ARTICLE III.

Grievance Procedure

1. Purpose: The purpose of this article is to provide a method of prompt and equitable settlement of employee grievances. The Employer and Union agree that these proceedings shall be as informal and confidential as may be appropriate at any level of the procedure and agree to attempt to resolve all grievances informally at the lowest possible level.

2. Time Limits: Grievances not appealed within the designated time limits in any step of the grievance procedure may be denied by the Employer on the basis of timeliness. The Union reserves the right

to submit such grievances to arbitration.

Grievances not answered by the Employer within the designated time limits in any step of the grievance procedure may be appealed to the next step.

3. Definition of Grievance: Grievance is a claim by an employee or the Union which alleges a violation of this Agreement has occurred. The grievance shall be presented to the designated supervisor on the form set forth and signed and dated by the Union.

{Informal}: The employee(s) with a grievance shall first discuss it with his/her supervisor or designee. The employee may elect to have representation from the Union present if he/she wishes.

{Formal} Step I: If, as a result of the informal discussion with the supervisor or designee, a grievance still exists, the grievant may invoke the formal grievance procedure either individually or through the Union on the form set forth. A copy of the grievance form shall be delivered to the appropriate supervisor and human resources director within ten (10) work days from the date of the alleged violation. The supervisor shall indicate his/her disposition of the grievance in writing within seven (7) work days of the presentation of the formal grievance. If the aggrieved person is not satisfied with the disposition of the grievance, or if no disposition has been made within the ten (10) work day period, the grievance may be transmitted to Step II, unless the Service Area Director is the supervisor, in which case the grievance may be transmitted to Step III.

Step II: The Service Area Director shall meet with the aggrieved person and the Union within ten (10) work days of the receipt of the grievance. The Service Area Director shall indicate his/her disposition in writing within seven (7) working days of the meeting and shall furnish a copy thereof to the Union. If the grievance still remains unresolved, the employee or Union may appeal the grievance to Step III.

Step III: The Chief Administrator shall meet with the aggrieved person and the Union within ten (10) work days of the receipt of the grievance. The Chief Administrator shall indicate his/her disposition in writing within seven (7) work days of the meeting and shall furnish a copy thereof to the Union. If the grievance still remains unresolved, the Union may appeal the grievance to Step IV (Arbitration) by serving written notice to the human resources director within ten (10) work days of the receipt of the Step III disposition.

Step IV: Arbitration proceedings shall be conducted by an arbitrator selected by the Employer and the Union within ten (10) work days after notice has been given.

If the parties fail to select an arbitrator, the Public Employment Relations Board shall be requested by either or both parties to provide a panel of five arbitrators. Both the Employer and the Union shall have the right to reject two complete panels and to strike two names from the third panel. A flip of a coin will determine which party will strike the first name; the other party shall then strike one name. The process shall be repeated and the remaining person shall be the arbitrator.

The arbitrator shall have no authority to add to, subtract from, change, modify, or amend any of the provisions of this Agreement.

The decision of the arbitrator shall be final and binding on both parties of this Agreement provided such decision does not exceed the arbitrator's jurisdiction or authority as set forth above.

The costs for the services of the arbitrator, including per diem expenses, travel and subsistence expenses and the cost of any hearing room will be borne equally by the Union and the Employer. All other costs will be borne by the party incurring them.

The filing or lack of filing of a grievance carries no precedent.

ARTICLE IV.

Discipline

1. Disciplinary action shall be defined as one or more of the following:
 - (a) An oral warning;
 - (b) A written warning;
 - (c) Suspension without pay;
 - (d) Discharge.
2. Disciplinary action shall be applied against an employee for just cause only. Supervisors, Service Area Directors or the Chief Administrator will endeavor to handle discipline as discreetly as possible.
3. If discipline is applied to an employee, a record of the discipline shall be made and placed in the employee's personnel file. A copy of the discipline or memorandum of discipline shall be furnished to the employee and the President of the local or the President's designee.
4. Nine (9) months from the date that the warning memorandum is placed in the employee's file, the same shall be of no further force and effect and shall be removed as promptly as possible thereafter.
5. An employee who is the subject of disciplinary action may appeal such disciplinary action by proceeding through the grievance procedures provided herein.
6. If an employee is suspended without pay or discharged, the employee may appeal such suspension without pay or discharge through the grievance procedure upon the grounds that there was not sufficient evidence to suspend or discharge or that the suspension or discharge was inappropriate. Such

appeal shall begin with the fourth step of the grievance procedure which provides for arbitration.

ARTICLE V.

Seniority

Definition: Seniority is herein defined as length of continuous service with the Employer (SPAEA, GRAEA, or GPAEA) from first date of work. Seniority shall operate on an agency-wide basis, with the exception of Assistants. A separate seniority list shall be maintained for Assistants. The Assistant group includes audiometrists, evaluation assistants, speech/language assistants, behavior intervention assistants, and teacher associates (juvenile home programs and autism program).

Not later than September 15 of each year, the Employer shall furnish to each employee and to the Union a seniority list showing position and the date of hire of each employee. Any corrections to the seniority list shall be submitted to the Employer by October 15 of each year. The seniority list shall be deemed accurate after October 15 of each year. Employees whose seniority date is not changed from year to year shall be precluded from challenging the employee's seniority date.

An employee's seniority record shall be broken by voluntary resignation, discharge, reduction in force and retirement. Should an employee, laid off, return to work within two (2) years, the seniority will pick up from the date of his/her return. Seniority rights will be forfeited if the continuous period of layoff exceeds two (2) years.

ARTICLE VI.

Transfer & Promotion Procedures

1. Transfer shall mean movement of any employee to another position within the Bargaining Unit. The position being transferred to must be different than the current position held by the transferring employee with differences defined as:

- (a) in a different location; or,
- (b) an increase or decrease of 5% or more in number of annual hours; or,
- (c) be in a different Service Area than the service area currently held by the transferring employee. Service Area shall be designated as Administration, Special Education, Instructional Services (Consultants), Instructional Services Resources.

2. When openings occur or new jobs are created, notice of such openings will be given to the President, Vice-President and Secretary of the Union, posted on the Employer's website, posted on a bulletin board in each office, and given to each employee who requests such notice on a form provided by the Employer. During the subsequent four (4) working days, employees may apply for these openings by filing a

written statement with the human resources director. Notice of such openings shall contain information as to what the qualifications for the positions are, where the position is located, the number of days in the contract, the total working hours for the position, and the service area of the position. If an employee has taken and passed a typing test in order to qualify for any position currently with the Agency, the employee will not have to take another typing test to satisfy qualifications for positions requiring typing. Any testing required for the employee to qualify for the position must test provable, objective standards. Also, employees do not need to re-qualify for any positions previously held or for any positions similar to those previously held.

3. When two or more applicants have relatively equal qualifications and are qualified for the job, the employee applicant with the greater seniority will be awarded the new job. If seniority is the same, the employee with the better qualifications will be awarded the job.

4. Should no present employee apply for a job opening or should employee applicants not be qualified, the Employer may hire or assign as the Employer shall determine from outside the Bargaining Unit.

5. If a current position is expanded so as to provide for more hours, notice of the position shall be given to the President, Vice-President and Secretary of the Union, posted on the Employer's website, posted on a bulletin board in each office, and given to each employee who requests such notice on a form provided by the Employer. During the subsequent four (4) working days, employees may apply for the position by filing a written statement with the human resources director. The position will be awarded to the most senior qualified employee applying for the position. If no employee applies for the position, then the Employer may fill the position as it determines.

ARTICLE VII.

Staff Reduction Procedures

If the Employer, for any reason, determines that it is necessary to reduce the number of positions in the Bargaining Unit at one of its office locations, the employee in the position to be eliminated with the least seniority shall be notified.

(a) When a job is eliminated, or an employee's annual hours of employment are reduced five per cent (5%) or more, an employee so affected by said elimination or reduction may use his/her seniority to move to any position, for which the employee is qualified, presently filled by someone with less seniority. For the purposes of this agreement, the job is eliminated or reduced when the employee is personally informed in writing that their position will be eliminated or reduced, either immediately or at the end of the current contract year. All rights provided in this Article shall begin when the employee receives written personal notification that his/her job is eliminated or hours are to be reduced. Said employee shall utilize said seniority to move to a new job within four (4) working days of personal notification of job elimination or hour reduction. The failure to use said seniority within said time shall cause a forfeiture of employee's right under this sub-paragraph. Utilization of said seniority shall be accomplished by giving a written

statement thereof to the Service Area Director of the position selected.

(b) When an employee is displaced by such action described in paragraph (a), an employee may use his/her seniority to move to any position, for which the employee is qualified, presently filled by someone with less seniority. The failure to use said seniority within said time shall cause a forfeiture of employee's rights under this sub-paragraph. Utilization of said seniority shall be accomplished by giving a written statement thereof to the Service Area Director. Each person displaced under this procedure will have the same rights except the most junior person, who will be laid off. Any employee selecting a new position under the procedures described in sub-paragraph (a) or sub-paragraph (b) shall be required to serve a probationary period of forty-five (45) days. If the employee selecting the new position under the procedure described in sub-paragraph (a) or sub-paragraph (b) is unable to perform the position in a manner satisfactory to the Service Area director, the employee will then be notified that the employee has been determined to be unable to perform the duties of the position selected. If the employee is notified that he/she is unable to perform the duties of the position selected, the employee then will be placed on layoff status as described in Article VII sub-paragraph (c). Such employee shall have the rights of recall as provided in sub-paragraph (c) of Article.

(c) If openings occur within two (2) years of the elimination of a position or layoff, employees will be re-employed in the inverse order of the layoff. If an employee fails to return to work within seven (7) calendar days after being notified or recalled, he/she shall lose his/her seniority and status as an employee.

(d) New employees shall be subject to serving a probationary period of ninety (90) days. Any probationary employee may be discharged prior to ninety (90) days employment.

ARTICLE VIII.

Hours of Work

1. Hours of Work:

(a) The normal work day will be 8:00 a.m. to 4:30 p.m. Monday through Thursday; 8:00 a.m. to 4:00 p.m. on Friday. Employees shall be permitted to leave at 3:00 p.m. on the day of dismissal for Thanksgiving break, Winter break and Spring break.

(b) The Employer recognizes that flexible scheduling can be agreed upon between the employee and Employer so long as the Employer is able to maintain operational efficiency and staffing at times crucial to the operation of the Employer. Flexible scheduling requests will not be unreasonably denied.

(c) Summer work day shall be the same as in paragraph (a) above, except that the employee may arrange the work day to provide four (4) days totaling thirty-nine and one-half (39.5) hours. Such change shall be subject to the approval of the Service Area Directors. Summer work shall be

during the last half of June, July and first half of August.

2. Breaks: All employees shall be granted thirty (30) minutes for rest periods with pay per work shift (minimum of 15-minute duty free time blocks). The break shall be scheduled at the middle of each one-half (½) shift whenever this is feasible.

3. Meal Periods: All employees shall be granted a thirty (30) minute duty free lunch period during each work shift.

4. Overtime:

(a) All work performed in excess of forty (40) hours in any one (1) week shall be overtime and shall be paid at the rate of time and one-half (½) of the employee's straight time hourly rate.

(b) Payment of overtime shall be made in either cash or compensatory time as follows:

(1) The decision to receive overtime in cash or compensatory time shall be made by the employee with reasonably prompt notice to the employer concerning the decision of the employee.

(2) A request can be made by the employee for cash payment of accumulated compensatory time. Such payment shall be made with at least two (2) week's notice to the business office.

(3) Compensatory time shall be provided to the employee upon a schedule mutually agreed upon between the employee and the supervisor so as to not materially disrupt the Employer's operation.

(c) The Employer shall approve all overtime in advance and may adjust the schedule of employees in the week so as to provide a forty (40) hour week only.

(d) Wage and hour statements shall begin on Monday and conclude on Sunday.

(e) Above language is not intended to reduce the normal work week of the employees.

(f) The Employer shall, as far as practical, offer and distribute non-contract work to employees within the service area on an equal basis by seniority among those employees that are qualified to perform the duties when circumstances make the scheduling of such non-contract work practical. If employees within the service area do not accept non-contract work, then the non-contract work will be offered to the other members of the Bargaining Unit. The most senior applicant will receive the work if more than one qualified person applies. When notification is given for non-contract work, notification shall be calculated so as to provide the maximum possible notice and be a reasonable time within which the employee can decide whether to apply for the non-contract

work. In any event, two (2) days within which to request or apply for non-contract work shall be considered reasonable notice.

5. In the event it is necessary for an employee to be called back to work at the request of the Service Area Director, Chief Administrator or other supervisor in order to attend to an emergency situation or some other extraordinary circumstance which requires the employee's attendance immediately, then the employee shall be entitled to one (1) hour pay at a minimum or pay for the actual time spent at work under the emergency situation or an equivalent amount of compensatory time. This pay shall be included in the current wage and hour statement.
